People Helping People

FFFCU is a proud supporter of charitable organizations that help the local community and surrounding areas.

We participate in many events which raise funds and awareness, including our recent Labor Day Car & Bike

Show in Henryetta. By selling t-shirts, 50/50 raffle tickets and accepting donations, our team was able to raise almost \$800 towards the Credit Unions Care Foundation. As not-for-profit, member-owned, cooperative financial services institutions, credit unions exist to serve their members, not make a profit. Portions of funding received allows

for breakthrough research, numerous programs and services, and construction of

new facilities through Children's Miracle Network, benefitting St. Francis Children's of Tulsa.

There are nine million U.S. military veterans age 65 years old or older who live in the US. In Texas, Arkansas

and Oklahoma, there are 1,013,759 veterans who served in WWII, Korea and Vietnam. They live on fixed incomes, face increased taxes and higher costs of living. Often times, older veterans are not able to keep up with the maintenance on their homes. Purple Heart Homes is partnering with FFFCU to raise funds which will help identify older veterans who need assistance. For more information, visit www.creditunions.care
